76 KNOTS STRONG!

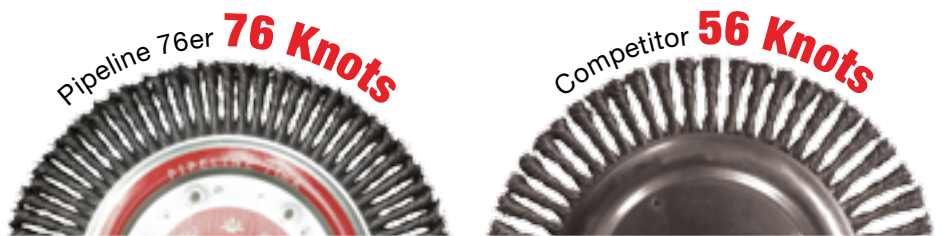

Introducing PIPELINE 76er from JAZ USA

JAZ USA has responded to welders and fabricators across the country by creating a stringer bead brush for 7" and 9" angle grinders featuring superior design and unrivaled cleaning power.

- 76 knots mean 40% more cleaning action and double the life vs. standard 56 knot brushes.
- 6 welding points instead of the industry standard 4 provides 50% more resistance to side load pressure.
